PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

Dated 6th July 1950.

DECONTROL OF PAPER.

The Government of Mysore have cancelled with immediate effect the following Control Orders namely :—

(1) The Paper Control (Economy) Order, 1946.
(2) The Paper Control (Distribution) Order, 1944 and.
(3) The Paper Price Control Order, 1946.

With this, all control orders regarding paper have been withdrawn.

(P. N. No. 83—dated 6-7-50—8301-400).

Press Note.

Dated 6th July 1950.

There has been a misapprehension about the Government Notification dated 5th July 1950, transferring certain Officers of the Electrical Department who were in the Trolley Bus Scheme Section. The Trolley Bus Scheme has not been abandoned. The work of surveying and estimating the cost of the Scheme having been completed, the Staff employed on this work have been transferred to other places. Tenders have been received for the Trolley Bus Scheme and are now under the consideration of Government. This is the correct position.

(P.N. No 84—dated 6-7-1950—8,401-8,500).

Press Note.

Dated 7th July 1950.

The attention of Government has been drawn to certain criticisms containing insinuations that Government have been partial to the new company, *viz.*, Messrs. The Mysore National Contractors and Suppliers Co., to whom the contract for supply of fuel to Bangalore Corporation has been entrusted for one year from 1st January 1950, and that gross injustice has been done to the old Company who were the supplying contractors for the previous year. The criticism is baseless and totally opposed to facts as explained below :—

When tenders for supply of fuel were called for, both the old and the new Companies sent in their tenders. The old Company wanted to supply in accordance with the ms of their previous contract, *viz.*, that they should be en the sole monopoly for supply of fuel into Bangalore y, while the new Company agreed to supply without h a condition. The new company was therefore allowed supply fuel from 1st January 1950, and the system of nopoly supply was done away with.

Free movement of fuel of all varieties except casuarina s been allowed from taluk to taluk in Bangalore District d free trade in such fuel is now allowed within the limits Bangalore Corporation. Private volunteer supplies ve not been refused so far.

urther there is no truth in the allegation that the nt Company have been allowed to supply by cing the rate by Rs. 2 per ton. The tender rate by the present Contractors were the then existing iz., Rs. 32-8-0 for first class fuel and Rs. 24-2-0 or jungle fuel and these rates have been accepted have not been changed subsequently. It is hat the Company are giving annas eight extra bove what was being paid by the old Contractors iers, with a view to inducing larger supplies. Government only pay them the accepted rates and nothing more.

The previous contractors also were supplying green fuel in the previous years. On account of practical difficulty in securing dry fuel, it has not been possible to insist upon supply of dry fuel from the present Company. They have, however, been instructed to supply dry fuel as far as possible.

There has been no change in the quantity of petrol issued to lorries per trip. It is generally limited to 7 gallons per trip except in very exceptional cases where the distance is beyond 40 miles from Bangalore, when about one gallon extra per trip is allowed. The same procedure was being adopted even during the time of the old Company.

Government wish to assure the public that there is no scarcity of fuel at present in Bangalore City and Civil Station as alleged. On the other hand, large quantities of fuel are moving into the City consequent on the removal of monopoly supplies and many petty fuel shops have sprung up. The concessions extended to private dealers in fuel have not been withdrawn. Apart from supplies through the private depots, the fuel secured through the present contractors is being sold to the public at controlled rates through Government Depots, licensed Depots and Societies. Further, a reserve stock of about 5,000 tons has been built up at the Government Reserve Depot to meet any emergency. There is, therefore, no anxiety in this respect.

The Company have, in accordance with the terms of the agreement, furnished a deposit of Rs. 40,000 in the shape of Government of Mysore 4 per cent Conversion Loan Bonds (1953-63), duly endorsed in favour of the Director of Food Supplies.

Press Note.

Payment of outstanding claims in respect of supplies made and services rendered to the Undivided Government of India up to the date of partition.

The following extract from letter dated 12th May 1950, from the Government of India, Ministry of Industry and Supply, on the above subject is published for the information of the public :—

"A question was raised whether the claims on bills in respect of the supplies despatched by the contractors against the 'F.O.R. Station of despatch' contracts, before the 15th August 1947, but actually received by the consignees in Pakistan, after the 14th August 1947, should be met by the Government of India or that of Pakistan. The matter is under correspondence between the Ministry of Finance, Government of India, and their counterpart in Pakistan. Pending a final decision, the suppliers concerned in the matter should be informed that payment for supplies received by the consignees in Pakistan after the 14th August 1947, even though the supplies had been despatched by the contractors before the 15th August 1947, is the legal liability of the Government of Pakistan, who should be approached in the matter. The supplies of the nature specified above do not come within the purview of the Press Communique dated the 23rd May 1948 issued by the Partition Secretariat, Government of India, on the subject of 'Claims of Undivided Government of India Procedure prescribed.'

Press Note.

Water has been allowed for monsoon irrigation in the two low-level canals from Krishnaraj Sagar on the night of the 10th July.

As decided at the meeting of the Krishnaraj Sagar Working Committee, it is proposed to allow water in the Visvesvaraya Canal on the 15th July for raising seedlings and water will be stopped after seven days. It will be opened again on or about the 5th of August for monsoon irrigation should the situation regarding flow improve.

Press Note.

Import of Kabuli & Gulabi varieties of Gram into the State.

It was announced in the Press Communique dated 13th January 1950, that as large stocks of gram bought on Government account were on hand, the issue of permits for import of Kabuli and Gulabi varieties of gram into the State by merchants had been discontinued.

The 'Hurigadale' (fried gram) manufacturers in the State have now represented that they are not getting the required variety and quantity of gram for carrying on their business. As the Ministry of Food, Government of India, have decided not to recontrol these varieties of gram, the State Government have now ordered that the ban imposed on the issue of permits for import of Kabuli and Gulabi varieties of gram into the State be lifted.

It is, therefore, notified for the information of those interested that permits for the import of the above varieties of gram will be issued by the Director of Food Supplies in Mysore, Bangalore, on application.

Press Note.

The Government of India, Ministry of Health, have by a Notification No. F. 22-46—49-M. I., dated 11th May 1950, accorded recognition to the M.B.B.S. Degree of the University of Mysore granted after 31st December 1932, and have in exercise of the powers conferred by sub-sections (1) and (2) of Section 14 of the Indian Medical Council Act, 1933, been pleased to direct that the second schedule to the said Act may be amended accordingly.

Press Note.

Steel Allotment to the State and distribution of the same to the Public.

There have been frequent complaints from the public in the matter of obtaining iron and steel materials and the methods of distribution in force. It should be realised that owing to the unsatisfactory steel supply position in the country the State is being allotted only a meagre quota of 425 tons per quarter (637 tons in Pd. III—50 only) for non-agricultural use, and hence it is necessary to restrict releases for construction purposes to the barest minimum and to the most urgent and *bona fide* applicants.

The iron and steel required for agricultural purposes is now met from a separate quota specifically set apart for that purpose and this quota is operated by the Food Commissioner in Mysore, Bangalore. The Government have carefully reviewed the position and are following certain principles for the distribution of the available supplies, as under :—

I The maximum release of steel for public utility buildings constructed by the general public is 2 tons per quarter.

Note.—If a person has more than one house, application from him for iron and steel for new houses will be discouraged.

II The requirements of the Government Departments, Local Boards and Municipalities, are being met to the extent possible, according to availability of materials.

III Release of galvanised sheets is being made by the Deputy Commissioners to the public of respective districts according to availability of quota.

IV Release of steel to manufacturers of consumer goods is made on the basis of recommendation of the Director of Industries and Commerce in Mysore, Bangalore, according to availability of steel. Release of steel to these manufacturers depends on the quota allotted to the State in each quarter.

V Applications for release of steel for construction of houses, should be accompanied by detailed plans approved by the Municipal authorities or other competent authorities as the case may be. Applicants requiring steel in small quantities for windows, etc., *i.e.*, 10 cwts. and less, should send their applications through the Local or Municipal authorities.

VI Applications for release of steel for construction of Cinema Talkies, Theatres, Coffee bars, Restaurants, etc., will not be considered until the steel supply position improves.

It is needless to say that every effort is being made to distribute the limited supply of steel equitably to *bona fide* consumers.

OFFICE OF THE DIRECTOR OF FOOD SUPPLIES IN MYSORE, BANGALORE.

Tender Notice.

Sealed tenders, are invited by the undersigned up to 2 P.M. *on 3rd August 1950*, from firms or persons intending to undertake the forwarding of overseas foodgrains to the stations in Mysore State from the Madras Harbour.

2. The new procedure of allocation and delivery of imported foodgrains is as follows :—

(i) The Regional Food Commissioner, Madras will intimate in advance the quantities of imported foodgrains to be supplied to Mysore during any month on receipt of which financial arrangements for remitting the cost of the allotment will be made by this administration.

(ii) Despatch instructions will then be communicated to the representative of this Government, selected for forwarding of foodgrains and movement has to be arranged as per priority indicated by this office.

2. The selected firm has to receive imported foodgrains to check and receive the supplies of foodgrains loaded into waggons, and issue consignee receipts on behalf of this Government.

3. The selected firm will have to indent for waggons in consultation with the Assistant Director (Clearance) and in accordance with the programme of despatches indicated by the Regional Food Commissioner and this office.

4. The agent will have to do all documentation work in connection with the forwarding of foodgrains allotted to us. Loading of foodgrains into the transports will be made by the Assistant Director (Clearance)/Clearing Contractors.

5. The agent appointed will have to deposit the prescribed fee for the registration of waggons with the Railways concerned.

6. The agent should also check the number of bags loaded into a waggon and obtain "clear" receipts from the Railways and he must also supervise the weighment of waggons.

7. The agent should be agreeable to carry out the work entrusted to him to the satisfaction of the undersigned and keep him informed of the progress of despatches daily. It may be noted in this connection that it is not possible to estimate specifically the quantity of overseas foodgrains expected to be handled by the agent, since allotments of foodgrains are made to the State by the Ministry of Food at stated intervals, *i.e.*, every month, towards the ceiling quota.

8. The contract will be in force till the end of December 1950 and intimation of shipments carrying cargo for Mysore State will be given to our agents, soon after the information is received from the Regional Food Commissioner, Madras.

9. The selection of the firm is subject to approval by the Government of Mysore.

10. The successful tenderer should execute an agreement and furnish a security of Rs. 1,000 in due fulfilment thereof.

11. The rate per ton quoted by the tenderer should be consolidated and include charges for postage, payment to tally clerks, extra stitchers, sweepers, etc., wherever necessary besides handling charges.
